International Debating Championships

We are recruiting Y5-Y10 participants for the international debate tournament, which will take place from October 20th to December 1st in Australian Eastern Standard time. If you are interested in participating, please contact us at admin@te-ducation.com.au.

AMC & CAT

AUSTRALIAN MATHS TRUST

TE-Ducation Australia is the official test provider for the Australian Maths Competition (AMC) & Computational and Algorithmic Thinking (CAT) Competition. Students who wish to participate in the AMC and CAT can register by emailing us.

Harvard Model United Nations 2024

Harvard Model United Nations (HMUN) is committed to serving the future leaders of the world. We are looking for student leaders who are ready to tackle some of the world's most pressing issues and bring about informed action. Our students come from a diverse range of backgrounds, experiences, and interests. We welcome and encourage all students to apply for this educational experience.

Applications for HMUN 2023 will open in May. Please contact us by email if you are interested in.
